Nearly 150 Years Of Craftsmanship

In 1867 Percy Stuart Surridge created a sports brand in his own home, he applied the principles of tradition and craft, with the concept of bringing innovation to improve performance. The idea to be a pioneer of high class sportswear and equipment was born. Ever since we have created product defined by Craftsmanship, Originality and Britishness this sets us apart. Our founder believed that style was also a performance advantage.
We retain his belief today.

Stuart Surridge
